Buddy that is....

What:

Advocating for our industry is one of the primary objectives of YCF. We encourage you to consider a colleague, industry partner, friend, or anyone eager to engage with AGC and advocacy, not only for the construction industry but also for personal career growth and leadership development. YCF invites its members to BYOB (Bring Your Own Buddy) to the upcoming quarterly meeting. This initiative aims to promote both YCF and AGC while showcasing our values and objectives to others in the industry.
