Mayor James E. Dustin

Dave Diss
Colorado Rural Water Association
176 W. Palmer Lake Drive
Pueblo West, CO 81007

Dear Dave Diss, and everyone at CRWA

As one of Dave's most recent trainees, I would like to say how much I appreciate Dave sharing all his knowledge and wisdom which he has gained throughout his career as a water treatment operator.

Not only does Dave do an excellent job of explaining complex topics and mathematical methods, but Dave also has many valuable experiences that he shares with his classes that make the training sessions even more informative.

This past month or so Dave was able to impart on me the knowledge and confidence to pass the D Wastewater and Water Treatment Exams with scores of 87 and 86 percent respectively. I look forward to more excellent training sessions with Dave while in pursuit of my C certifications

Best Regards,
Reuben Romack.
