

Thanks to our November meeting sponsor

Thanks to Sally from Pepe's Salt Spa for attending our November meeting and all the breakfast treats. Thanks to Nicole for our treat bag of Eucalyptus bath salts. What is Pepe's Salt Spa? Dry salt air also known as Halotherapy, which is more powerful than moist air. Inhaling particles may reduce inflammation and mucus in the lungs improving respiratory conditions such as asthma, allergies, bronchitis, sinus congestion and COPD to name a few. Halotherapy is also known to help with depression and anxiety as well as skin conditions such as psoriasis, eczema and acne. Pepe's also provides Reiki, Massage, Salt Products, Crystals, Stones, Salt Room Yoga & Animal Communications.
